Dear Glenn & Monika,

I am so thankful for the support you provided to my family, particularly my father, during a challenging time. Your expertise in elder law made a major difference in getting my father excellent long-term care and protecting his life savings.

We really appreciate how you patiently explained complex legal matters in a way that was easy to understand, and the overall process has made a positive difference in our family's journey.

Thank you again, and we have been talking to all of our friends about you.

Thank you for your gracious spirit, knowledge and overview of our family estate documents. Your approach to helping with our questions & concerns were tender hearted and appreciated. We want to also extend a warm thank you to your staff (Anne) and hospitality. We felt like home away from home as she cared for our daughter during our session. We are happy to refer you to others with smiles.

Dear Glenn,

We enjoyed meeting you and experiencing your complex and engaging person!

Adding to our impression was the result of reading your fine piece "What are you thankful for?" Sweet sentiments!

We'll forward the info on the deed and property tax statement as well as survivor benefit info on our pensions at the beginning of the week.

We look forward to working with you in the future!

Warm regards,
